HOMECOMING '74

Homecoming 1974-1975 was a great success. Daytime activities included Color Day, Poster Day, Hat Day, and Be Nice to Player Day. Coronation of queen, Lidy Sloot, and king, Dana Melius, was held after the skits on Thursday evening of Homecoming week. Joe Yonkovick was Master of Ceremonies. The parade on Friday was led by Cindy Lind and LeeAnn Streseman on horse. The band, attendants, and floats followed. The Freshman class float took first place with their slogan "Warriors Reign Over Pour Indians." The senior float took 2nd place and the eighth grade took 3rd. Our Homecoming slogan was "IN-Salt MORTON." The Warriors pulled through another victory by defeating Morton 32-2. The Homecoming festivities were brought to an end by a dance by Prodigy.

The 1974-75 Warrior football season was another resounding success as the team completed the schedule with another fine record of 7 wins and 2 losses. The high point of the season was the 14-7 defeat of the Gaylord Spartans, something Warrior fans have been anxiously looking forward to for 31 years. The team also had many other convincing victories during the season and proved to be exceptionally tough as they allowed their opponents an average of only 8.3 points per game. As in the past few years, Homecoming was once again a huge success as the Warriors demolished the Morton Indians 34 to 2. Although the squad loses 13 fine seniors through graduation, a solid core of returning veterans and some fine young prospects will bolster the hopes for continued success in the football program for the future.

This season's B-squad played .500 ball, losing 3 and winning 3. Although the team did not play well as a unit, several individuals performed extremely well and will give the varsity considerable help next fall in replacing the season's seniors.

The team really excelled on defense as it allowed only one touchdown from scrimmage in the first 3 games and held Martin Luther scoreless through the first three quarters of the season-finale victory.

As usual, lack of practice time hampered the team's effectiveness, but enough talent and desire were displayed to insure the continuance of the varsity's present winning ways.

The freshman football team had a 2-3 record. There were thirteen boys and one girl who played on the team. Each played in all games and played well. They developed and learned a lot this year. They must grow and work hard to keep up with other area teams progress. Many played with the sophomores on the B team.

Our 7th and 8th graders showed improvement in all phases of the game as their season progressed. By the end of the season they showed they will be ready for extended competition next year.

GIRLS IMPROVE GAGE SEASON RECORD

The Warriorettes ended their season with a 6-5 record. This is an improvement over last year's record.

There were only two seniors on the team this season and the youngest players on the team improved greatly during the season.

An honor of which the Warriorettes were proud of was the election of Connie Kruggel and Nancy Trebbensee to All Conference Players.

The future of girls' basketball looks good, with many of the girls coming back next year. A little older, a little wiser, a little stronger, and a little more experience.

REPEAT AS CONFERENCE CHAMPS

The 1974 Warrior Cross Country team had another excellent season. They were conference champs for the second year in a row. They also placed third in the District and tied for second in the Region.

All runners will be returning next year, therefore, they are hopeful of doing even better next year.

Dave Peterson was the leading harrier and was the first Warrior to advance to the state level in Cross Country.

The Wrestlers completed the 1974-75 season with a 2-13 record. It was a building year for the Warriors with all boys returning next season. Les Werner and Gary Gleisner were co-captains. The Warriors have ten juniors returning, and look for a much improved dual meet and tournament season. Brad Remus was Conference champion at 119, and Les Werner was Conference champion at 145.

This was the best won loss year ever for the B squad. They won 8 meets and lost 4. It was also a surprise to those concerned because it was almost an entirely new squad. Having to replace seven to ten varsity men from last year's team drew heavily from the B squad. We had to replace these people from the C squad. We wrestled 30 different boys on the squad during the year. With the entire A squad coming back and a fine group of C squaders returning to add experience to the program, the B squad could be as good next year.

The 1974-75 basketball season started out to be our rebuilding year, but was anything but that; as we won the Tomahawk Conference for the first time in the history of the school.

Coach Muth said there were four reasons we won the championship and finished 18-3. 1. Hard work 2. Team work 3. Desire 4. Unity of the players. The three seniors, seven juniors, and two sophomores proved these four points to be true.

This season's B-team had continued success as we were fortunate once again to have several talented boys to man the different positions. The team increased their winning streak to 38 games, winning by an average score of 52-33. Coupled with the varsity's conference championship, the Bombers' success should promise us a great future in the upcoming seasons.

After a slow start, the freshmen came on strong, winning their last five games to raise their record to 7-4. Although the young Warriors were disappointed with their performance in the Freshman Tournament, they did avenge their loss to Glencoe two weeks later.

The seventh and eighth grade teams ended with identical records of 4-8. These young cagers were constantly improving during the season and played some fine games. With some hard work this summer, the young Warriors should have a fine season next year.

Our rejected track boys

Rhonda can't do anything.

Contentment?

They tried.

Maybe the weekend will be better.

What ya got Dan?!!

Hi! I'm in a good mood.

Another Marla Monday?

Typical Track fans.

They're off!

Calm and cool.

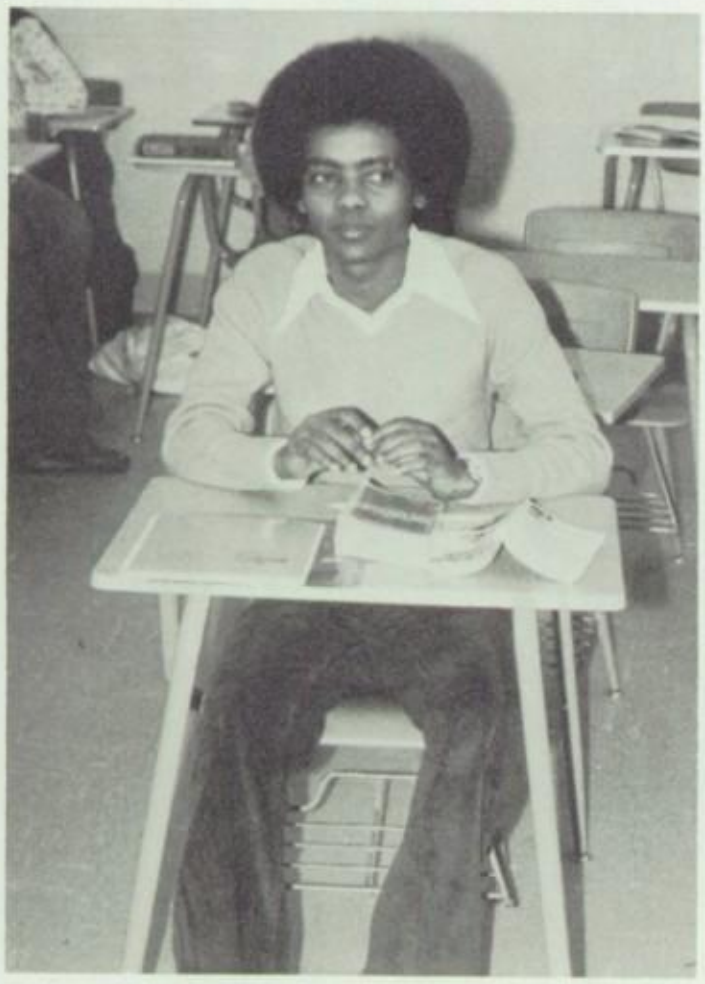
MIRROR, MIRROR ON THE WALL. . .

OUR FOREIGN STUDENTS

KASSAHUN MICHAEL



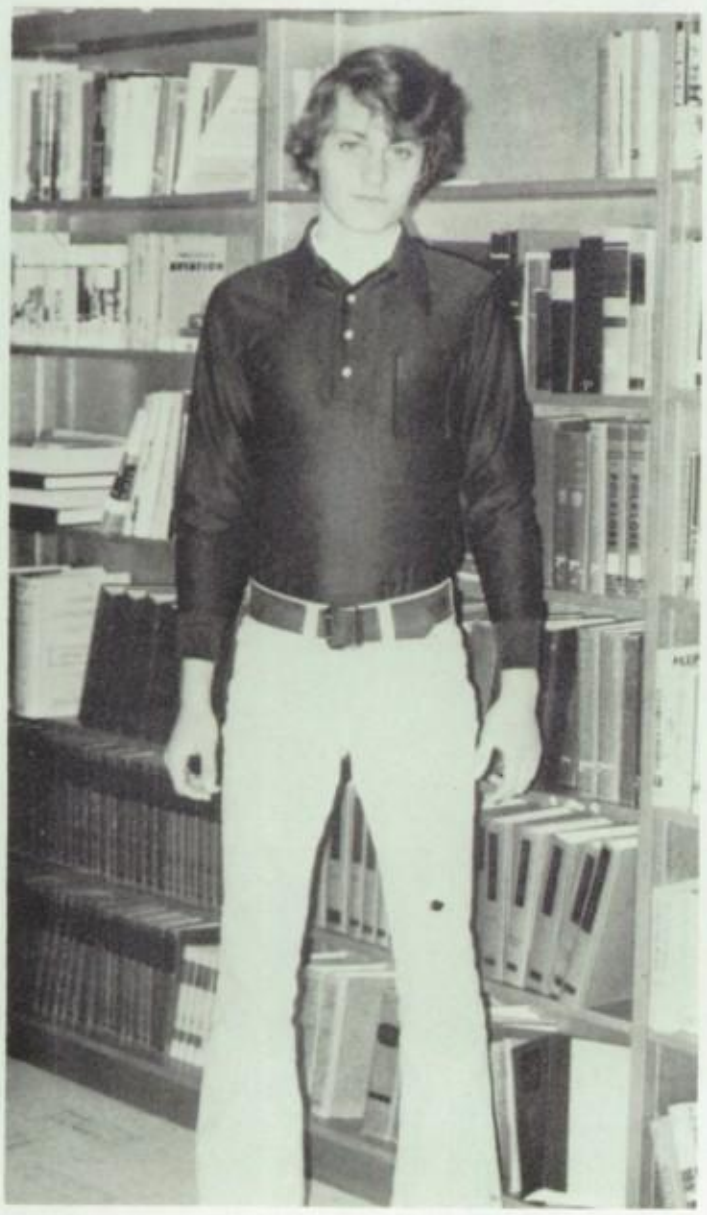
Kassahun came to the United States September 5, 1973 from Ethiopia, Africa, and has been staying with the Rev. Bernard McLains. The rest of his family is in Ethiopia. He has a mother, 4 brothers and a sister.

He says the people are so friendly and that he likes school very much. The teachers and students have been very helpful to him.

He plans to stay in Winthrop until he finishes High School. After High School he wants to go to college, but isn't sure where. After he finishes his education, he plans to return to Ethiopia where he hopes to study medicine.

Kassahun said the biggest change for him was to live in such a completely different environment.

CHRISTIAN TABLONSKI



"I am from Munich, Germany. My father is a senior editor of a radio station, and my mother is a government employee. I have one sister who is seventeen.

I came to the U.S.A. through "Youth on Understanding Organization," Ann Arbor, Michigan in August '75.

Looking back at the year I spent in Minnesota and in WHS in particular I remember all the fun I had and all the experiences I received. It has been a great time for me and I would like to stay longer. My American year wouldn't have been that successful for me without the help of the teachers and the friendliness of the pupils. I will remember this year for a long time."

During his stay in Winthrop, Chris was living with the Delanio Schafers.

Class Flower - Blue Rose

Class Motto:

The moments may be temporary, But the memories are forever.

Hi! Join the party.

Happy B'day.

Quite an Improvement!!!

Pomette of the year

I'm not always beautiful!

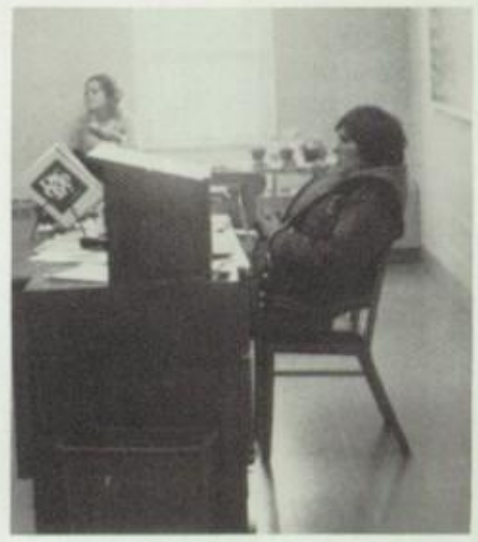
I'm here! and working!

I need a driver - please - anyone!

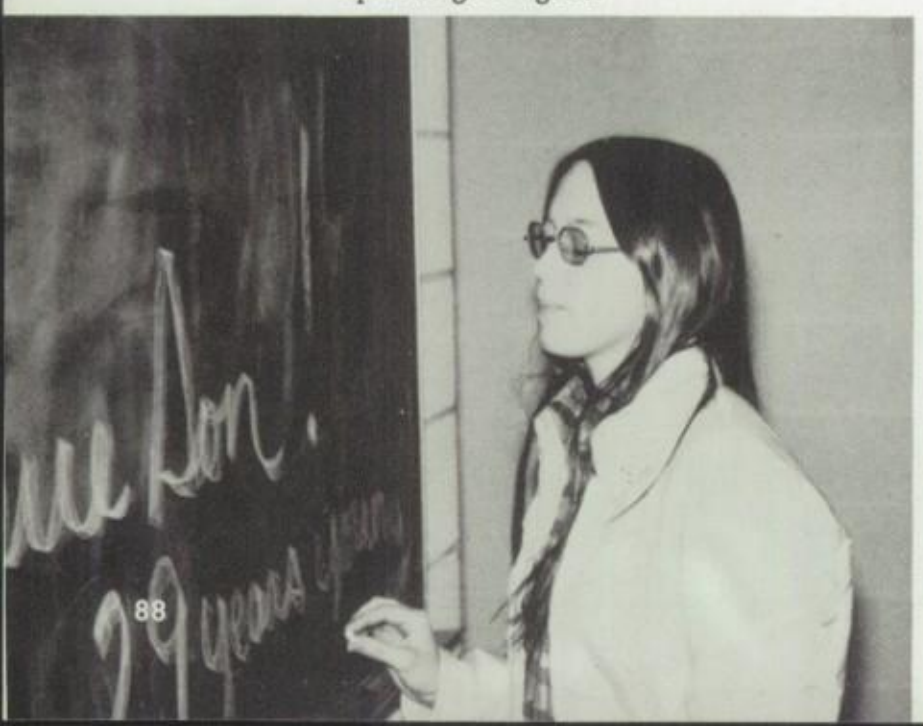
Guess for yourself!

Up to no good again!

Aren't I cute?



Taking over.



Our friendly milkmen.

POO on you!

I'm glad I'm out too!

I feel sick!

Don't cry Sandy.

Another thrilling night.

What a drag.

Ummmm.

Look to this day!
For it is life, the very life
of life,
For yesterday is already a
dream and tomorrow is only
a vision;
But today, well lived, makes
every yesterday a dream of
happiness and every tomorrow
a vision of hope.

from the Sanskrit

As my job as editor comes to an end I would like to thank all who helped to make this annual possible. A special thanks to Mr. Adema for all his time and help and to our photographers, Mr. Stillwell and Mr. Schuester. I want to wish next year's editor, Barb Eckberg, good luck and urge everyone to join Annual Staff. It may be a lot of work but it is a very rewarding experience.

I hope everyone enjoys this year's annual and that it represents our school and all our achievements well.
